# F.A.Q.'s

## We know you've got questions from St. Kitts to Skagway!

Check out these commonly asked questions. If you need additional info, please contact your salesman or warehouse manager.

### CAN I SIGN UP FOR BOTH ST. KITTS AND ALASKA?

Absolutely! You can attend both of these trips and the Las Vegas trip at Bellagio Hotel.

### DO ANY OF THESE TRIPS REQUIRE A PASSPORT?

Yes, the St. Kitts and Alaska trips both require a passport because we will be traveling on international land and waters.

### ARE THESE TRIPS ALL-INCLUSIVE?

Neither St. Kitts or Las Vegas are all-inclusive. However, Preferred Pump does host some catered and open bar events throughout both of those trips. The Alaskan Cruise is all-inclusive to include your meals and drink packages.

### WHEN WILL THE ST. KITTS WEEK ASSIGNMENTS BE ANNOUNCED?

Your 7-night St. Kitts trip will be the week of January 10-17, 17-24, or 24-31, 2026.

We need to receive all sign-up forms first, so we can see how the regions will best fit at The Marriott. We will announce the weeks of your trip in May 2025.

### WHEN WILL TRAVEL FORMS BE AVAILABLE?

The travel forms for the Las Vegas, St. Kitts and Alaska trips will be live in May 2025.

### WILL THERE BE A GOLF OUTING IN ST. KITTS?

Yes! We will be hosting a golf outing at the Royal St. Kitts Golf Club, which includes club rentals and a bucket of practice balls.

### HOW CAN I REQUEST TRIP UPGRADES?

You can make upgrade requests in the "Special Requests" section of the travel forms, when they go live in May 2025, and a member of our D.A.P. team will be in touch.

### WILL PREFERRED PUMP BE HOSTING ANY NGWA EVENTS?

No, NGWA is in New Orleans. Preferred Pump does not have any events planned.

## PROGRAM DATES

The 2025 Preferred Pump Dealer Awards Program is effective for purchases shipped and invoiced between January 1, 2025 and December 31, 2025.

## ELIGIBILITY

This award/rebate program is open to all Preferred Pump customers who enroll by completing, signing, and returning the enrollment form. Enrollment forms must be signed by a principal (officer, owner, or manager only) of the firm, and must be received by Preferred Pump no later than April 30, 2025. The account must remain in good standing and within payment terms throughout the entire program period.

## EARNING RATES AND RESTRICTIONS

Enrolled customers will earn award points at the rate of one point per \$1,000 in program period purchases. Eligible purchases must be shipped and invoiced by December 31, 2025 in order to qualify for points. Pulstar purchases are eligible, excluding cost of the truck. For Keystone Drilling Services purchases, customers are eligible to earn points on consumables to water well contractors, excluding Capital Equipment such as Rigs, Compressors, Rentals and Labor.

Point cost is based on using major airports. Flights from regional airports are available for a point upcharge. These trips are not all inclusive but do include some private parties with complimentary entertainment, food, water, soft drinks, bloody marys, and open bar.

## ROLLOVER POINTS

Points can be rolled over only for one year and ONLY for Las Vegas or the "Big Trip". This means that any points you earned in 2025 may be rolled over and applied to the 2026 Dealer Awards program trips. Rollover points cannot be "banked" over several years. Rolled over points do not have any value except when used in conjunction with Las Vegas and "Big Trip". You can roll over any amount of points needed for Las Vegas and "Big Trip" by filling in the rollover points box on your Awards Certificate with the number of points you want to rollover.

## BUY-IN OR PURCHASE OF POINTS PROVISION

Preferred Pump customers enrolled in the program who earn at least 60% of the award point value by the program conclusion may supplement their point totals by purchasing the balance of the needed amount. As an example of a buy-in: If a trip is worth 440 points, you need to have earned 60% (or 264 points) through sales in order to qualify for purchasing the remaining points. The price, or cost per point, is \$26 for both "Big Trips" and \$22 for Las Vegas. However, we will provide you with the anticipated cost upon request. When you purchase points, you cannot earn points from the purchase total.

## TRAVEL LIMITATIONS

Travel on Preferred Pump trips is open to customers, employees and their dependents. Preferred Pump management must approve any guest substitution. Participating customers are also required to agree to the terms of the limit of liability statement provided for each trip and understand that these must be signed and returned prior to the issuing of any travel documents. In the event that the number of trips earned exceeds the space reserved, Preferred Pump reserves the right, at our discretion, to substitute with the same or similar trips.

## NON-CANCELLATION DATES

It is not possible for Preferred Pump to cancel trips to Las Vegas or Big Island after July 31, 2025. Cancellation after this date will void all point earnings. Points cannot be used for alternate trips or prizes if cancellations are received after the deadline. Preferred Pump reserves the right to invoice companies for any fees incurred due to late cancellations.

## LIMITATION OF REDEMPTION

All of a customer's accounts must be within terms by December 31, 2025 to earn points during the program period or points will be null and void and trips and merchandise will be forfeited. Penalty Points Charged: 10 pts/Las Vegas Trip; 15 pts/"Big Trip".

## RIGHTS AND LIMITATIONS

Preferred Pump reserves the right to modify or cancel the program due to circumstances beyond our control. We reserve the right to allow, modify, or disallow point earnings for purchases that fall under the categories of bid, contract, and/or special discount business.
